Mentoring Our Future
For a Brighter Tomorrow

2022 Annual Report.

Youth Mentoring Services of Niagara County, Inc. is a private, non-profit community based organization operated under the auspices of a volunteer Board of Directors. Our mission is to make a positive difference in the lives of children and youth primarily through a relationship with a caring adult, and to assist them in achieving their highest potential as they grow to become productive and responsible citizens. YMS is the only youth focused agency that serves children of both gender, county-wide, with no dues or fee for service.

YMS has been providing service to children and their families in Niagara County since 1973. We are a member agency of the United Way of Greater Niagara. New York State Office of Children and Family Services funding is also received through the Niagara County Youth Bureau. The Annual Golf Tournament, as well as Corporate and Private Foundations, provide additional funding.
